

God of truth and love,
in all ages you have blessed our race with
prophetic souls,
humble to listen for your truth,
and bold to share it in love.

Make us, we pray,
humble in heart to listen
to your prophets for our time,
and brave in love to act
on the truth they bring. Amen

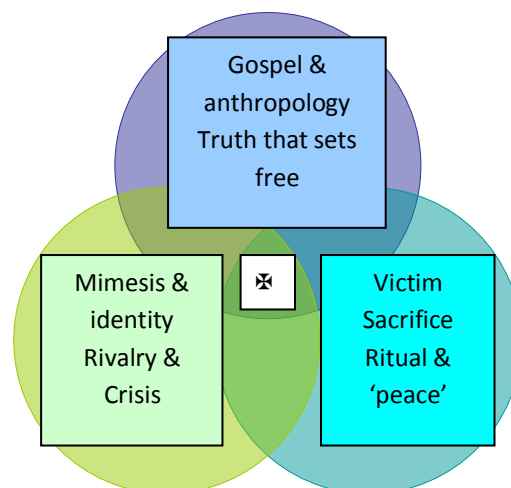

SPACE in the CITY

November 18 *René Girard*

Speaker: **Peter Fisher**

1 Girard and Darwin: big ideas born of delicate observation

2 Three inter-locking concepts:

3 Down in one gulp?
